

Tell us about your FAMILY

My son was born with disability...

1st thing to go: YOUR EGO

basically a "NORMAL FAMILY"

with deep questions...

What CLAIM does he have on the govt?

What is the VALUE of my son to society?

What do I OWE my son?

When is it OK for me to say I've had enough?

How Have things CHANGED?

When my son moved out

Key moments of TRANSITION?

COMMUNICATION?

the LIP SERVICE

(but not much else)

I did too

Transitions INVOLVE EVERYONE

Need to move BEYOND words

CULTURAL

STRUCTURAL

SPIRITUAL

to FIND

Common Language

the IDEA...

WOMEN SHOULD WORK
